My dear Garrison

Our friend Bishop Daniel A. Payne President of the Wilberforce University at Xenia Ohio has sent me money with which to take passage for him to England or to Cuba. He Cuba fails from Boston; may I trouble you for your offices in the matter? I believe that is the vessel you are going in. If I am not too much to ask, please see & let me know what can be done in the matter. You will share

in the desire I am sure
which I feel to oblige
an Excellent friend.

We are all well
— save that Wendell
hand has thrown trouble
him — but I am very
busy & he can only
add

Yours truly

J. McClure
